How to get there – some tips

Getting to Trelleborg is easier than you think. With it's 25 minute proximity to both Sturup Airport east of Malmö and the big international hub Kastrup in Copenhagen, there are plenty of low fares airlines to choose from.

AerLingus, EasyJet, Norwegian, AirBerlin, Cimber Air, Bmibaby, Wizzair and Transavia are but a few examples of low cost airlines. Besides these, the larger airlines, such as SAS, Lufthansa and KLM have several good deals if booked good time in advance.

Also, ferries operated by TT-Line and Scandlines link German ports such as Sassnitz, Rostock and Travemünde directly to Trelleborg.
